

HNB 3 & 4 Newsletter

Our Summer topic is *Into the woods* We will find out about the technical vocabulary that is used to describe woodlands and forests as well as identify some of the main forests in the UK before looking further afield at rainforests. We will be finding out where in the world rainforests can be found as well as looking at different biomes.

Class Read

It is a cold winter's night when Karl enters the White Horse Tavern looking like he's swallowed a thundercloud.

Homework

Your child will bring their reading book home every night and we ask that you read this with them several times a week and record this in their reading record.

Experiences

We will be taking the children on a visit to the Guisborough Branch Walkway to enhance their learning about woodlands and forests. We are also hoping to have a Teddy Bear's Picnic
