

SCB1 Newsletter (Summer 1)

Our Spring 2 topic is...*Brilliant Britain and Beyond*

The Birth of the Railways changed life in Britain and globally. Children will learn why railways were made, how steam engines changed travel and work, and their impact on the industrial revolution. They will celebrate the Stockton and Darlington Railway, the first public railway, learn about the role of coal in powering steam engines and discover George Stephenson's contributions.

Class Read

We will be enjoying lots of stories including

- ◆ Macbeth
- ◆ The Queens Hat
- ◆ Paddington Bear

PE

Our PE days are Tuesday and Thursday.

Please ensure your child brings their PE kit on the first day back for their PE lessons.

Experiences to Try at Home

Learn about Captain Cook at his birthplace museum. Enjoy Saltburn-by-the-Sea, a charming Victorian seaside town. Hike Roseberry Topping. Admire Tees Transporter Bridge. Explore Preston Park Museum. Walk Hadrian's Wall. Visit the National Museum of the Royal Navy in Hartlepool. Read British stories and cook simple recipes. Visit Locomotion in Shildon.
