Our Summer 1 topic is 'Brilliant Britain'

We will be using ipads, books and computers to research the 'Human and Physical features' of Great Britain and using our knowledge to make a 'Brilliant Britain' Powerpoint.

Wider Curriculum this half-term...

In Science we will be looking at Plants. We'll be spending lots of our lessons outside looking at parts of the plant and how they grow. We might even get 'green fingers'

In PHSCE we will be looking at living in the wider world and learning all about money.

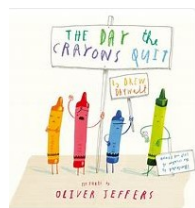

In Art we will be doing 'Collage', we'll be expanding our colour vocabulary and signs and making a 'self portrait' collage.

We love our BSL story on Friday!

Homework

Reading at home with your child is so important, we award Dojos for reading at home so don't forget to mark it down in the reading record book, so that we know. My Maths will still be set weekly along with spellings to practice at home for a test on a Friday. Login details are in the homework book.

Thank you all for your continued support.
